

Dear SEP Participant,

You and your team will hold your first planning meeting at SEP's offices located at 100 Medical Center Way in the Woods Building. Parking is free to you; please inform us upon your arrival that you need a parking permit.

SEP also can be reached by taking the Aldea/Bronze shuttle from LPPI (Langley Porter Psychiatric Institute) at the corner of Parnassus and Medical Center Way or by walking up the steep staircase accessed on Medical Center Way. Due to a change in UCSF's shuttle riding policy, you may be asked to show a pass in order to board the Bronze shuttle. Please inform the shuttle driver that you are a guest at UCSF and that you have business in the Woods Building.

-Thank you
